How to Earn a Bid

- Bids may be earned at qualifying AVP/AVP America Juniors events within the defined bid windows.
- For 1-Star events, bids go to 1st and 2nd place teams. For 2-Star events, bids go to 1st, 2nd, and both 3rd place teams. In all cases, divisions need at least 5 teams.
- Bids do not “trickle down” beyond those places.
- Bid winners can play with any partner; they are not required to play with the partner with whom they won their bid.
- Only one player per team is required to have earned a bid.
- Bids are not age-specific. If a player ages out, the bid applies to the next age division.

- Players must compete in the correct age divisions on the event date. Age/Division Guidelines update annually on September 1.
- A complete team is defined as a paid entry with two registered players. Teams that are unpaid or missing a player may be removed from the entry list.
- **For 5-Star Events:**
 - These events have limited capacity. A bid is required but doesn't guarantee a spot.
 - Until the dates listed below, bid-holding teams will be accepted based on highest AVP points.
 - After these dates, teams without bids will be accepted on a first-come, first-served basis until full.
 - Nationals: June 29, 2026
 - WCC: October 11, 2026
 - ECC: October 30, 2026
