# THE AVP CHAMPIONS CUP SERIES

## ***THE AVP IS BACK!***

Founded in 1983, the AVP is the longest standing and most well-known American beach volleyball organization, facilitating national tournaments, developing new talent, invigorating communities through sport, and promoting a beach volleyball lifestyle across the United States.

Due to the impact of COVID-19, the AVP has been forced to suspend the 2020 nationwide tour & all fan-attended events. However, pro beach volleyball is still coming to your living room with the **AVP Champions Cup Series** Presented by Acer — three tournaments, three teams per gender crowned champions, only ONE team per gender with the ultimate reward of the Champions Cup.

# THE MONSTER HYDRO CUP

***The AVP is excited to bring you Pro Beach Volleyball again.***

The first tournament of the 2020 AVP Champions Cup Series kicks off Saturday, July 18th with the Monster Hydro Cup in Long Beach, California. Due to the impact of COVID-19, unfortunately, fans cannot attend this event in any capacity.

The Monster Hydro Cup will be made up of 8 Main Draw teams (per gender) — 6 auto entries based on AVP points and 2 teams from Friday's Qualifiers. Friday's Qualifiers will be capped at 12 teams (per gender) based on AVP points & ranking. The Monster Hydro Cup will be a \$200K prize purse, and teams throughout the Qualifiers will be paid out.

While this tournament will crown its own champion & award them with the Monster Hydro Cup, every match and every point matters because it will affect the team's run in the [race to the Champions Cup](#) and the additional \$50K bonus purse per gender.
