THE AVP CHAMPIONS CUP SERIES

THE AVP IS BACK!

Founded in 1983, the AVP is the longest standing and most well-known American beach volleyball organization, facilitating national tournaments, developing new talent, invigorating communities through sport, and promoting a beach volleyball lifestyle across the United States.

Due to the impact of COVID-19, the AVP has been forced to suspend the 2020 nationwide tour & all fan-attended events. However, pro beach volleyball is still coming to your living room with the **AVP Champions Cup Series** Presented by Acer — three tournaments, three teams per gender crowned champions, only ONE team per gender with the ultimate reward of the Champions Cup.

THE PORSCHE CUP

The AVP Champions Cup Series finale!

The final weekend of AVP action! The Porsche Cup starts Saturday, August 1st, with teams hoping to separate themselves from the pack making meaningful strides towards clinching the Champions Cup. Due to the impact of COVID-19, unfortunately, fans cannot attend this event in any capacity.

The Porsche Cup will be made up of 8 Main Draw teams (per gender) — 6 auto entries based on Champions Cup Seeding Index/Policy and 2 teams from Friday's Qualifiers. Friday's Qualifiers will be capped at 12 teams (per gender) based on AVP points & ranking. The Porsche Cup will be a \$200K prize purse, and teams throughout the Qualifiers will be paid out.

While this tournament will crown its own champion & award them with The Porsche Cup, every match and every point matters because it will affect the team's run in the [race to the Champions Cup](#) and the additional \$50K bonus purse per gender.
