

THE ZOZZ AND GOLD SERIES

The 2022 Season is HERE!

Founded in 1983, the AVP is the Gold Standard of Beach Volleyball in the U.S., facilitating national tournaments, developing new talent, invigorating communities through sport, and promoting a beach volleyball lifestyle across the country.

Summer 2022 just got a lot longer. The AVP Pro Tour is hosting sixteen unique and competitive events throughout the country. This season will feature seven Tour Series events, six Pro Series events, three Gold Series events, and one Championship event.

ATLANTA OPEN

After an unforgettable experience in 2021, the AVP has decided to run it back in ATL. If this year is anything like last year, we'll have some intense night sessions, and we'll see some new faces bringing home hardware. Known as the destination that brought beach volleyball to the Olympics in '96, Hotlanta is becoming a marquee destination for the AVP, promising the highest level of competition. The Big A is ready for round two in the 2022 season. Are you?

How Recycling Works.

When your recyclables arrive at a WM Material Recovery Facility (MRF), paper, metals, plastics and glass are separated from each other. Then each material is processed, compacted, and shipped around the country to be remade into 1000's of products we use every day.
