AUSTIN OPEN

First Up - the Pro Series Austin Open.

The first weekend of the 16-event season is here! After a two year hiatus, the Pro Series Austin Open is finally back. Warm weather, a booming foodie scene, and a bustling culture makes Austin one of the favorite tournament stops for both the fans and the athletes. Upsets seem to be the norm in Austin, so we're ready for new challenges and new champions.

Austin will be made up of a 16 team Main Draw (per gender).

How Recycling Works.

When your recyclables arrive at a WM Material Recovery Facility (MRF), paper, metals, plastics and glass are separated from each other. Then each material is processed, compacted, and shipped around the country to be remade into 1000's of products we use every day.
