EVENT TUNE-IN GUIDE
SEPTEMBER 23-24, 2022

PHOENIX CHAMPIONSHIPS

The AVP Tour is blazing through Phoenix for the first time since 2009, and the only thing more intense than the climate will be the Championship competition. Different from all other events this season, the Phoenix Championships will feature the Top 6 Teams per gender from the 2022 Gold Series events.

This will be a two-day competition on one court, so it's sure to get intense. Can you handle the heat?

How Recycling Works.

When your recyclables arrive at a WM Material Recovery Facility (MRF), paper, metals, plastics and glass are separated from each other. Then each material is processed, compacted, and shipped around the country to be remade into 1000's of products we use every day.
